**MEMO ENDORSED**

**Re: *United States v. Nunzio Gentile*, 14 Cr. 608 (DLC)**

Dear Judge Cote:

The Government submits this letter, with the consent of the United States Probation Office ("Probation"), to respectfully request the unsealing of all internal chronologies and records, including but not limited to, all texts, WhatsApp messages, notes, witness statements, and videos, maintained by Probation in both the Southern and Eastern Districts of New York, detailing Nunzio Gentile's supervision from March 2022 to the present as they pertain to the violation specifications (the "Specifications") before the Court.

The Court has scheduled a VOSR hearing in this case for August 25, 2022. At that hearing, the Government intends to prove the Specifications set forth in the May 27, 2022 Violation Report, which concern conduct beginning in March 2022. The Government further anticipates that it may call a Probation Officer, among other witnesses, to testify at the hearing. Probation has indicated that they have information relevant to the Specifications and upcoming hearing contained within their chronologies and records, including relevant statements of the defendant and witnesses. Accordingly, the Government respectfully requests that the Court enter an order unsealing these chronologies and records in advance of the August 25 hearing.

Application GRANTED.

SO ORDERED

DENISE COTE  
United States District Judge

Respectfully submitted,

DAMIAN WILLIAMS
